VOLVO ACCESSORIES

At Volvo, we design cars for people who enjoy the fruits of life and want to share the experience with others. We believe in the power of well-being – not only for the driver, but for everybody inside the car. To further enhance your capabilities, we've developed Volvo Accessories. Because the road ahead holds many adventures, make sure you're in good company from the start.

Life is better lived together.

Volvo. for life

It’s your Volvo.

The Volvo you select will always be a highly personal choice. Just like the equipment you choose to make it truly yours. Volvo Accessories not only fit perfectly with the design of your Volvo, they also fulfill the toughest demands in terms of safety, quality and environmental care. Because once you’ve decided to drive a Volvo, we believe you want to keep it that way.

This brochure is a brief introduction to the Volvo Accessories range.

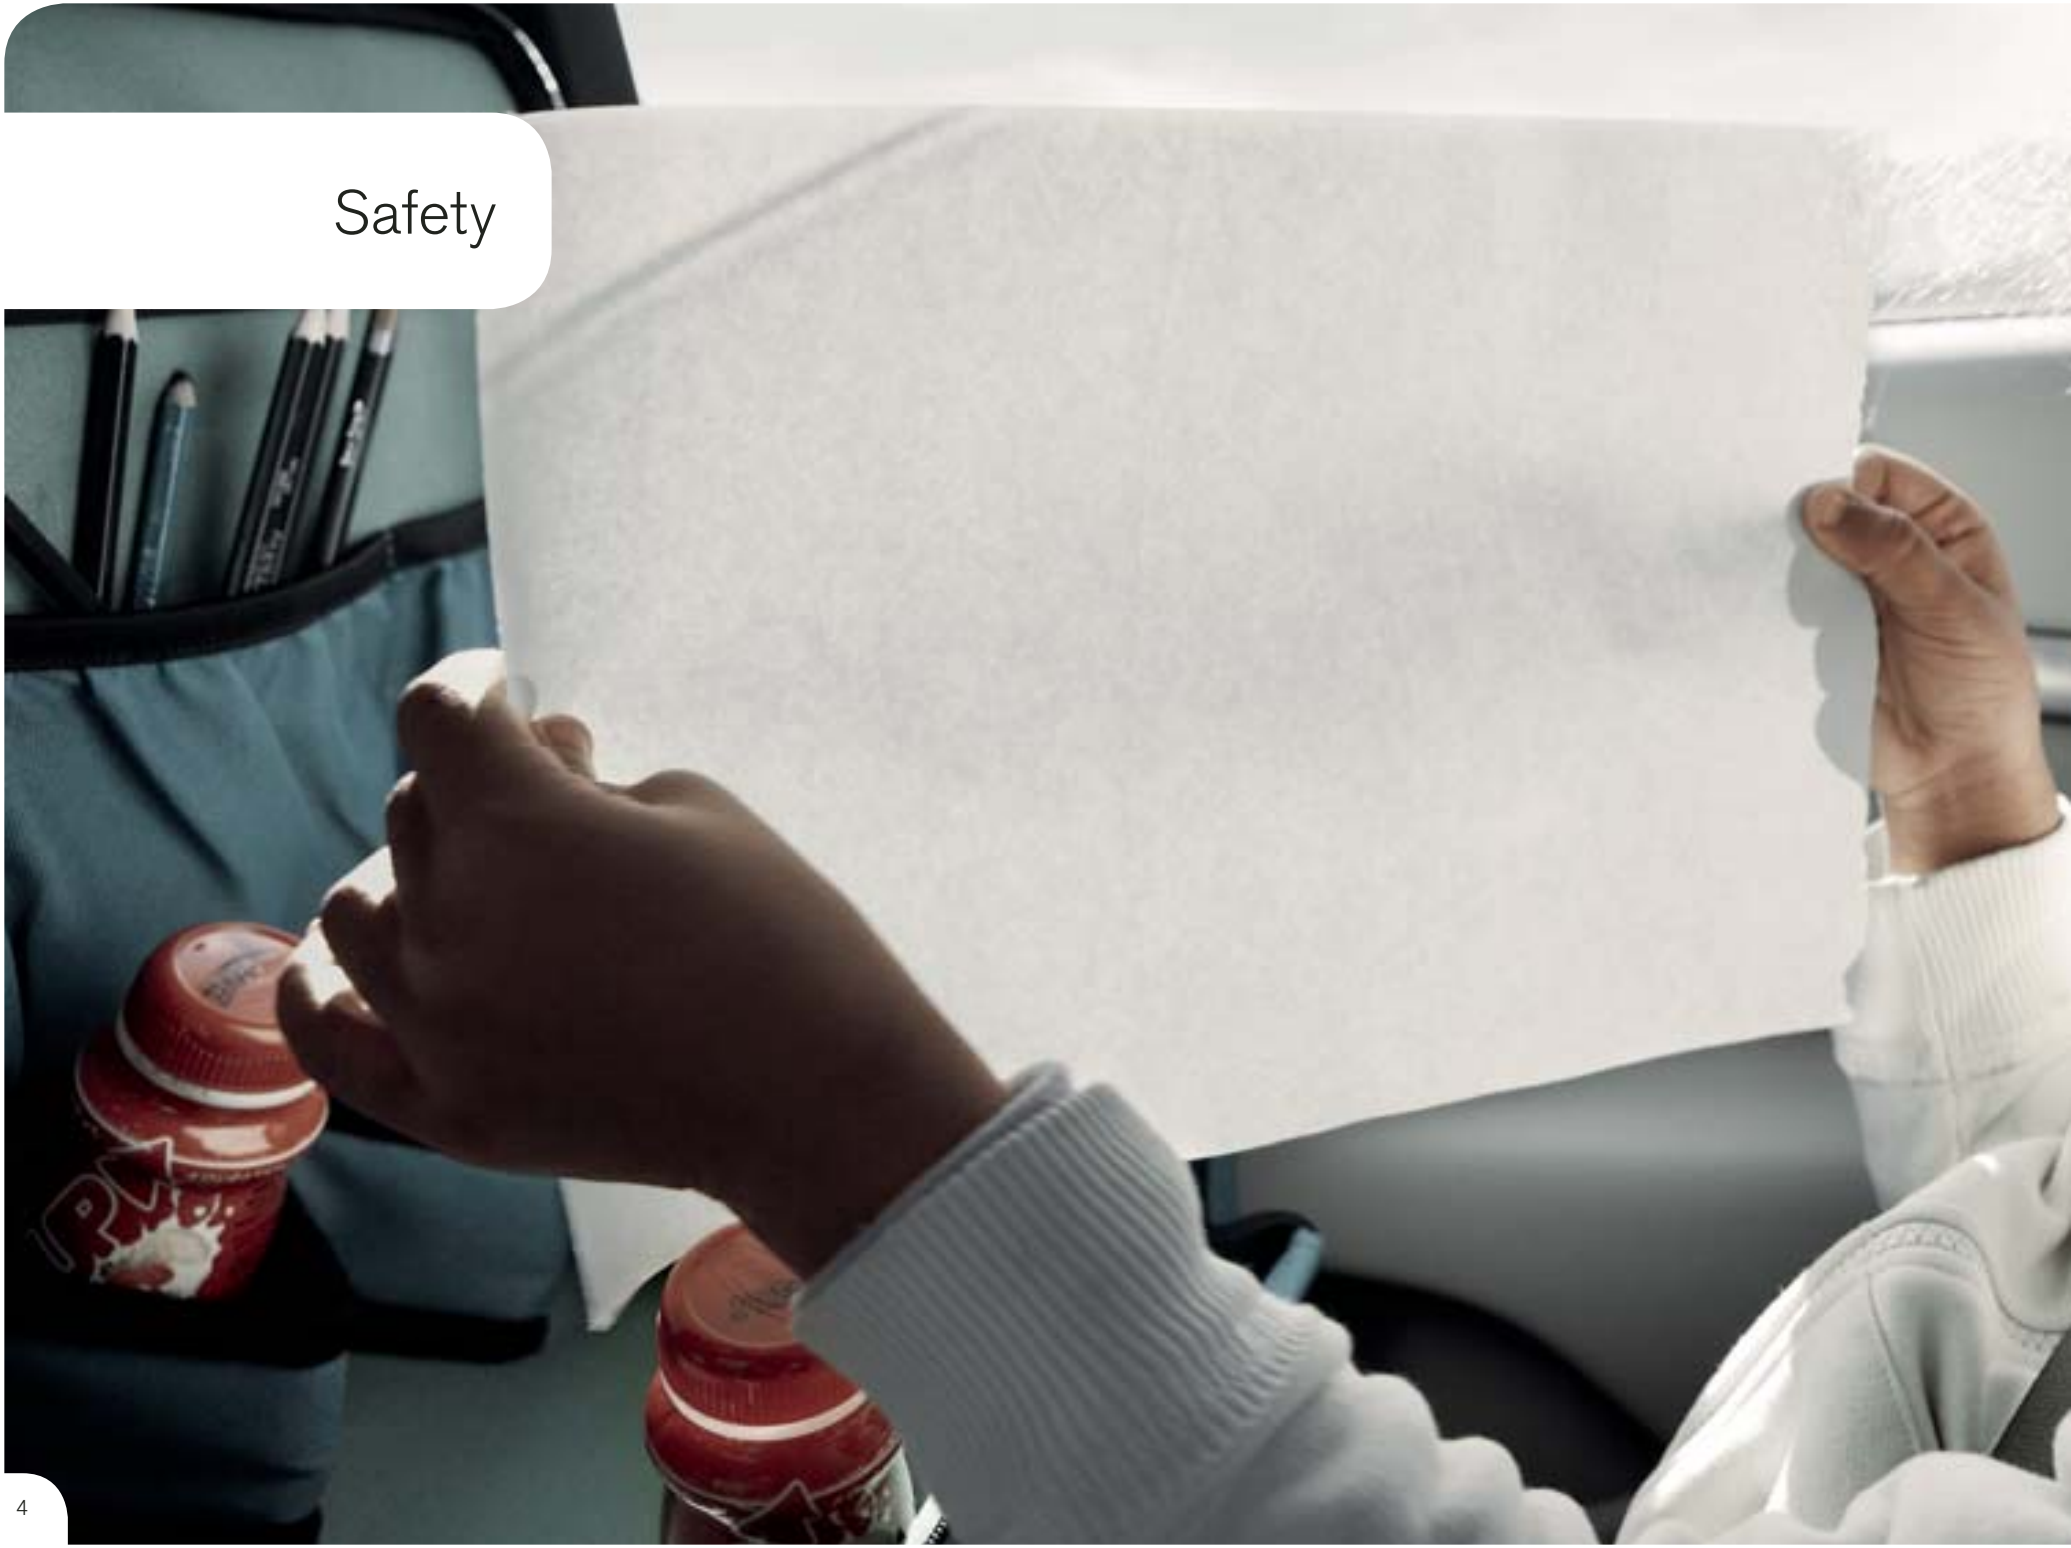
Safety



Because you care.

No matter your age and size, a Volvo is one of the safest cars for you and your family. And to further enhance protection for children, we've developed accessories that are focused towards child safety and are among the most comprehensive in the car world. This also enhances comfort and makes any journey more enjoyable. Because in a Volvo, safety is for everyone.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Booster cushion (33-80 lbs)
As well as being comfortable, the removable booster cushion helps place the child so that the safety belt is correctly positioned across the hips and chest.

Adjustable backrest
The adjustable backrest provides extra support to the back and neck while helping to increase protection in the event of a rear-end collision. It's height-adjustable so that the safety belt can be positioned comfortably across the shoulder and chest of children of various heights. The backrest can also be reclined for sleeping.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Comfort upholstery and head support
The comfort upholstery and head support further enhance comfort and help keep the child securely in place when sitting on an integrated booster cushion.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Mirror
Designed to let you keep an eye on a child in a rear facing safety seat in the back. Attached to the middle rear head restraint, this is used in combination with your rear-view mirror. Easily removed when not in use.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Pillow
This keeps a sleeping child's head from falling to one side – a more comfortable way to sleep and travel when sitting in a child safety seat.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Activity bag
Doubling as a play table and an extra storage space for toys, the activity bag comprises a built-in cup holder and several practical compartments. Outside the car, the bag can be used as a backpack. Designed for children sitting on a booster cushion.

To help ensure occupant safety, we crash-test accessories under realistic conditions in the world's most advanced safety laboratory – Volvo Cars Safety Center in Göteborg, Sweden.

Because happiness shared is happiness doubled.

A Volvo is always designed for more than one. Our technology aims to enhance the feel-good factor of riding in a Volvo – without age limits (or any other limit). And to further improve comfort and convenience, there's a range of clever accessories – customized for your Volvo and the people inside it. So why not spoil yourself and your passengers with a comfort pillow or refreshments from the electric cooler box?

Comfort

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Eyeglass holder
This elegant holder keeps spectacles or sunglasses conveniently at hand. It accommodates most sizes and mounts above the door window.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Integrated rear seat refrigerator
This refrigerator between the rear seats will keep refreshments cold and in easy reach of the rear seat passengers.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Rear-seat table
This can be placed directly on the rear seat, even if the central armrest is lowered. A cup holder and compartments for small items are integrated features.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Picnic table
This picnic table in birch veneer and aluminum opens new horizons for exploiting nature's opportunities. Fits conveniently in the tailgate opening.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Seat cushions
Open the tailgate and sit comfortably on the edge of your Volvo, or anywhere else for that matter.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Front cup holders
For hot and cold drinks you can reach, cup holders for most Volvo models can be fitted in the front center console.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Rear seat armrest
A center armrest, made of soft leather for those who want to increase comfort for rear seat passengers. Practical and comfortable for long trips.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Electric cooler/heater box
Keep cold drinks on hand for long journeys or use it as a heated box to keep food warm.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Automatically dimmed inner rear-view mirror with compass
This is a mirror that automatically adjusts itself to deflect the headlamp beams of the car behind you. When there's no light to dazzle you, it automatically readjusts to its normal setting. And to help you take a bearing, your direction is continuously displayed in the rear view mirror glass.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Alarm system
The Volvo Guard Alarm System is an advanced, remote controlled alarm system specially developed for the C30.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Power retractable door mirrors with ground lighting
Touch a button to fold mirrors parallel to the car body – a practical feature when parking in really tight places. Ground lighting is activated via the remote control to enhance security when entering or exiting your car in the dark. It's also convenient when getting in and out of your vehicle.

To ensure you and your passengers are not exposed to harmful emissions or unpleasant odors, interior Volvo Accessories are tested by Volvo Environmental Laboratory in Sweden.

S40 S60 S80 V50 V70 XC70 XC90 C30 **C70**

Wind blocker
When the top is down, the wind blocker effectively reduces drafts for those sitting in the front, improving the comfort level at all speeds. It also converts the rear seats into a luggage compartment. Simply unzip it to get at your gear while you're on route. And when it's no longer needed, the wind blocker folds down into its textile bag. Factory-fitted mounting points in the rear side panels make the wind blocker simple to install and remove.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Electric engine heater
When it's cold outside this makes it easier to start the engine, reduces wear, and speeds up cabin warming.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Antenna/Lock Lubricant
Preventive care for your locks and antenna! Keep out moisture and avoid freezing by applying our lubricating spray several times a year.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Car cover
The Volvo car cover protects your car from dirt when it is not used for a long period of time.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Moon roof wind deflector
The Volvo moon roof wind deflector is perfect for reducing any wind noise or turbulence when enjoying the moon roof.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Fog lights
These spoiler-mounted lights help improve vision for the best possible lighting performance in all difficult driving conditions, while giving the car a sportier look.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Cruise control
This feature means that you don't have to keep your foot on the accelerator – so long journeys are made more comfortable. It is easy to operate via the steering wheel-integrated controls.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Sunscreens
These sunscreens can be attached to the rear door windows and the rear window for convenience and can be used with open windows (up to 55 mph) to avoid the heat and glare of direct sunlight. Simply remove them when they're not needed.

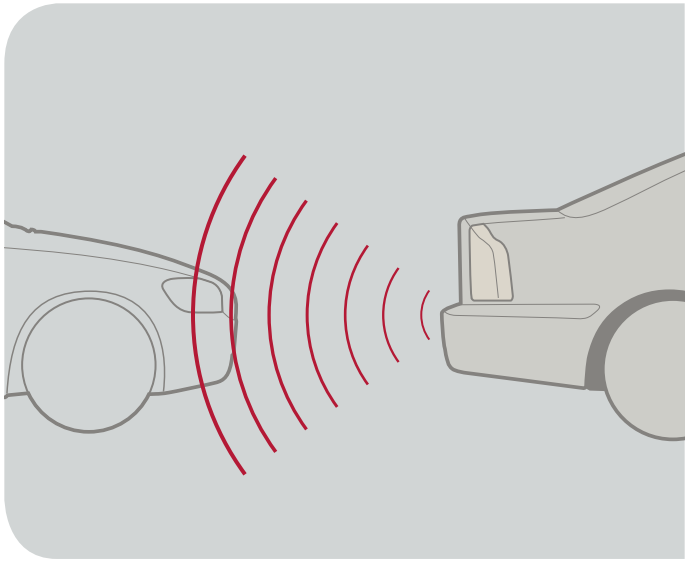
S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Comfort pillow
Comfortable support for the head and neck – especially on long journeys. Easily moved between different seats in the car.

Because there’s a road ahead.

Employing the latest information technology, your Volvo is prepared to support and entertain at a very high level. Here are some devices that help maintain your command of the road and enhance the pleasure of travelling. Add, for example, Volvo’s integrated rear seat entertainment system. Or Volvo’s portable navigation system – your most helpful co-driver. Then fill your Volvo with people and music and have a great time on the roads ahead of you.

Tech & sound

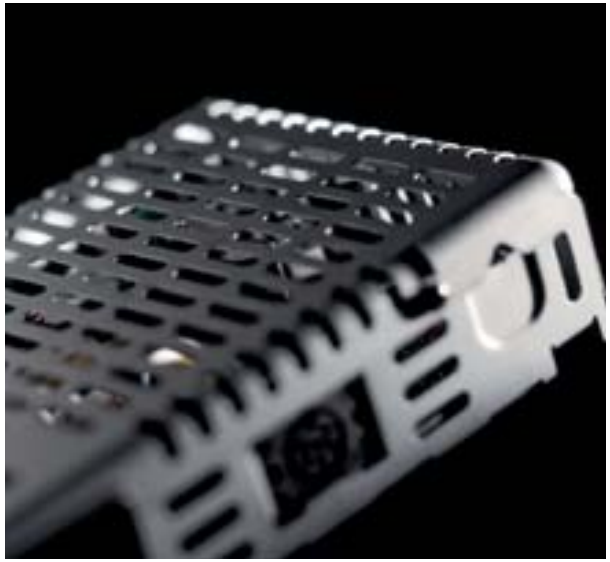


S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Front and rear park assist
Rear park assist helps make it safer and easier to reverse into tight spaces. A pulsating tone in the cabin rises to a steady signal when an object is about 1 ft behind your rear bumper. Similarly, front park assist alerts you as you approach an object in front of your car. The sensors are integrated in the bumpers and are color-coordinated.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Active subwoofer
If you like to feel the bass of your music through your body, the subwoofer with built-in 140 W amplifier provides superb reproduction of the deep register at all volumes. It's secured under the boot floor and can be switched off from the menu in the center stack. Only available for the High Performance audio system.



Your Volvo features one of the automotive world's most advanced digital electrical systems. To ensure that electrical Volvo Accessories don't interfere with any of the car's other functions and technology, they have been thoroughly tested and evaluated by Volvo. Many of these accessories are also developed and designed by our own engineers.

S40 **S60** S80 **V50** V70 XC70 XC90 C30 C70

Integrated 6-CD changer
Switch freely among up to six CDs while driving. Play the discs in sequence, choose a disc and track independently, or allow the player to select at random – all conveniently controlled from the stereo panel or with the steering wheel keypad. Replaces the standard CD player. Also plays CDs with MP3 files/WMA.

S40 **S60** S80 V50 V70 XC70 **XC90** **C30** C70

Volvo hands-free Bluetooth®
This automatically recognizes your Bluetooth® compatible mobile phone as you enter the car and seamlessly takes over, allowing you to switch freely from the mobile phone to the handsfree system. Just touch the blue button and Bluetooth® handsfree system will listen to your command and make calls for you. The system's sound quality with noise reduction optimises comunication for all parties.

The Bluetooth word mark and logos are owned by the Bluetooth SIG, Inc. Their use by Volvo Car Corporation is under license. Other trademarks and trade names are those of their respective owners.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Volvo's Portable Navigation System
This portable and powerful Garmin nüvi® 760 navigation unit integrates smoothly with the design of your Volvo. Just fit it into the docking unit on top of the dashboard. The wide bright touch screen is conveniently positioned in your field of vision. It allows you to navigate with ease, plan your route and find your points of interest. And beyond navigation, there are travel and entertainment functions such as Bluetooth® handsfree, MP3 player, currency converter, calculator and FM transmitter. The navigation unit is easy to carry with you and can also be used outside the car. Maps covering major parts of the US and Canada are stored in memory.

nüvi is a trademark of Garmin Ltd.

S40 **S60** S80 V50 V70 XC70 XC90 C30 C70

Volvo Ingegrated Navigation System (VNS)
Volvo's GPS-based Volvo Ingegrated Navigation System is totally integrated with your Volvo. Audible guidance and detailed maps help you find the fastest route to your destination. Via TMC (Traffic Message Channel) radio data broadcasts VNS also lets you know if there's weather-related trouble on route and recommends an alternative. The VNS is easily controlled from the steering wheel or optional remote, and the screen is positioned so you can keep your attention on traffic. When not in use, the screen retracts into the dash. All the map information is aquired from multiple DVDs or a hard disk drive (HDD) on certain models.

S40 S60 **S80** V50 **V70** **XC70** **XC90** C30 C70

Park assist camera
The park assist camera is discretely mounted in the trunk or tailgate to increase your field of vision behind the car. The navigation screen is used to show the driver the view that's beneath the rear window and behind the car. By including the edge of the bumper and the tow bar if one is fitted, the camera enables the driver to park or align the car with a trailer with great precision. The image on the screen also includes guidelines to show the vehicle's path and the system activates and deactivates together with the reverse gear.

S40 S60 **S80** **V50** **V70** **XC70** **XC90** **C30** **C70**

iPod® music interface
The iPod interface allows you to connect your iPod directly into the cars audio system and have complete control through the cars audio system. Search by Artist, album, song or musical style directly through your radio controls.

SIRIUS SATELLITE RADIO

S40 **S60** **S80** V50 **V70** **XC70** **XC90** **C30** C70

Volvo satellite radio

Satellite radio is now available for your Volvo. Volvo has joined forces with Sirius to offer an integrated satellite solution that is sure to provide endless listening enjoyment.

S40 S60 S80 V50 V70 XC70 **XC90** C30 C70

Single screen RSE (Rear Seat Entertainment) system

To entertain rear passengers, the 8-inch wide-screen display folds down from the ceiling at the touch of a button. Wireless IR headphones allow passengers to hear the DVD soundtrack, listen to a CD and connect a video camera or a game console without disturbing others. The system is easy to handle via a separate remote control. The screen automatically retracts when the vehicle reverses.

S40 S60 **S80** V50 **V70** **XC70** **XC90** C30 C70

Rear Seat Entertainment System with Dual DVD Players

With Volvo RSE dual screen, the rear seat passengers can watch a DVD film or play a game – together or separately. Two 7-inch wide-screen displays with DVD players are integrated in the front seat head restraints. Cordless headphones let you listen to the music or program of your choice. Sound is also provided through the vehicle's rear loudspeakers or – using the rear headphone connectors – any wired headphones. The DVD player and AUX socket for devices such as game consoles are easy to reach from the rear seat.

Because looks matter.

Living with a Volvo is living an intense Scandinavian design experience. Clean, uncluttered function says hello to dynamic elegance before becoming best friends. And to help you make your Volvo even more personal, our designers have created a range of styling accessories. Be it a leather-trimmed sports steering wheel or a complete body kit – when it's about style, you can't leave anything to chance.

Styling

S40 **S60** S80 V50 V70 XC70 XC90 C30 C70

Trunk lid wingspoiler
This spoiler gives an elegant boost to the car's already sporty look and is color coordinated with the body.

S40 S60 **S80** V50 V70 XC70 XC90 C30 **C70**

Trunk lid spoiler
A discreet color coordinated trunk lid spoiler that enhances the car's sporty apperance and improves the car's already superb handling characteristics.

S40 S60 S80 **V50** **V70** **XC70** XC90 C30 C70

Enhance sportiness and aerodynamics with this color coordinated roof spoiler.

Volvo Accessories for styling aren't just about making your Volvo look better. Many are also tested in one of the car industry's most advanced wind tunnels to help ensure stability at all speeds.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Mud flaps
Protect the sides of the car from stones and gravel. The mudflaps are manufactured from TPE plastic that helps prevent cracking in case of impact. Available for front and rear.

R-DESIGN exterior styling. This is the ultimate way to add an expressive, personal and sporty touch to your Volvo. The R-DESIGN exterior styling accessories are another way to say that you deserve a car that can turn heads as nonchalantly as it turns cormers.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

R-DESIGN rear view mirror covers
Complete the R-DESIGN experience with these unique rear-view mirror covers in matt chrome surface.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

R-DESIGN body kit
Combining sports and elegance, this color coordinated body kit consists of front and rear lower spoilers, door trim and side skirts. It replaces existing components and integrates fully into the body.

S40 S60 S80 V50 V70 XC70 **XC90** C30 C70

Side décor
This kit offers a discreet and tasteful enhancement to an already elegant exterior. It integrates into the side panels and features metallic mouldings at the lower edge. Color coordinated with the body.

Front bumper bar
Integrated in the front bumper to give the vehicle an even more powerful stance. Painted in Silverstone to match other exterior styling details. Alternatively, it can be painted in the same color as the vehicle.

Exterior chrome kit
Balancing prominence and discretion, this exclusive kit includes door mirror covers in chrome design, chromed c-pillar panels and chrome trim in the middle front liner, both lower liners and tail lamps. These parts are fitted as standard on the Volvo XC90 Executive.

S40 S60 S80 V50 V70 XC70 **XC90** C30 C70

Aluminum running boards
Matching the front and rear skid-plates, these give the car an even more powerful stance while protecting the doorsills and making it easier to get in and out, or load the roof. Dimensioned for a load of 660 lbs. Additional footstep available.

S40 S60 S80 V50 V70 **XC70** **XC90** C30 C70

Side scuff plate
This eye-catching, brushed stainless steel scuff plate is the perfect design touch to further heighten the SUV-spirit of your car and to accentuate its sporty and rugged looks.

S40 S60 S80 V50 V70 XC70 **XC90** C30 C70

Sport tailpipes
Unique chrome-finish tailpipes ensure the XC90 R-DESIGN sticks out from the crowd. Indeed, this feature alone could be what other drivers notice first as they follow your lead. The V8 model also features a sports-tuned exhaust system.

R-DESIGN

S40 **S60** S80 V50 V70 XC70 **XC90** C30 C70

Sport steering wheel with aluminum inlay
Extra thick grip, smooth leather and aluminum inlay give this steering wheel a powerful and exclusive impression – perfectly matching the interior of your Volvo.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Wood-finish steering wheel
Using genuine walnut and leather trimmed spokes for optimum grip, this is a luxurious and sporty wheel. Available in different designs depending on your Volvo model.

S40 S60 S80 **V50** V70 XC70 XC90 **C30 C70**

Sport pedals
Enhance the driving experience with these tough, ridged sports pedals.

S40 S60 S80 V50 V70 XC70 XC90 **C30 C70**

Sport gear knob with aluminum
Available for both manual and automatic transmissions, this finish comes in various designs depending on your model of Volvo.

S40 S60 S80 **V50** V70 XC70 XC90 **C30 C70**

Leather sports gear lever gaiter
Here's a striking complement to the leather clad sport gear knob for manual gear levers. This comes in perforated leather for the Volvo S60. The gaiter for Volvo S40, V50, C30 and C70 is in leather/T-Tec and features a reflective strip.

S40 S60 S80 **V50** V70 XC70 XC90 **C30** **C70**

Aluminum center stack
Create your own unique interior with a surf or square pattern aluminum center console, specially-designed for your Volvo. Also available in Virtual White, Aluminum and Nordic Light Oak.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Sport floor mats
Sporty floor mat made of textile with reflective strip around the seams for added effect. The tufted textile has a thick pile and is durable, providing high comfort and a cosy atmosphere. The mats are easy to wash, they just have to be rinsed off. Harmonizes with the Sport gear lever gaiter.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

These elegant instep plates light up when any of the front doors is opened for a sophisticated look and added convenience when entering the car.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Aluminum sill moulding
These easily fitted details are a stylish addition that will be noticed every time a door is opened.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Rubber mats
These durable mats have raised edges to help protect the car's carpeting from dirt and water. They are specially designed to clip into place in your Volvo and are color coordinated with the interior.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Tunnel mat
Designed to protect the original carpets from wear and dirt, the tunnel mat is particularly useful if you frequently have a passenger in the center position in the rear seat.

Aluminum wheels
Engineered and designed for your Volvo, our aluminum wheels are manufactured to precise tolerances that match your Volvo exactly – so you get the best comfort and driving pleasure out of your car. The mixture of metals developed especially for these alloy wheels provides greater wheel strength and better corrosion resistance. Because aluminum wheels are lighter than steel wheels, suspensions are able to work faster so road holding is improved and heat is more effectively dissipated – helping to maintain braking power. Enjoy them, year after year.

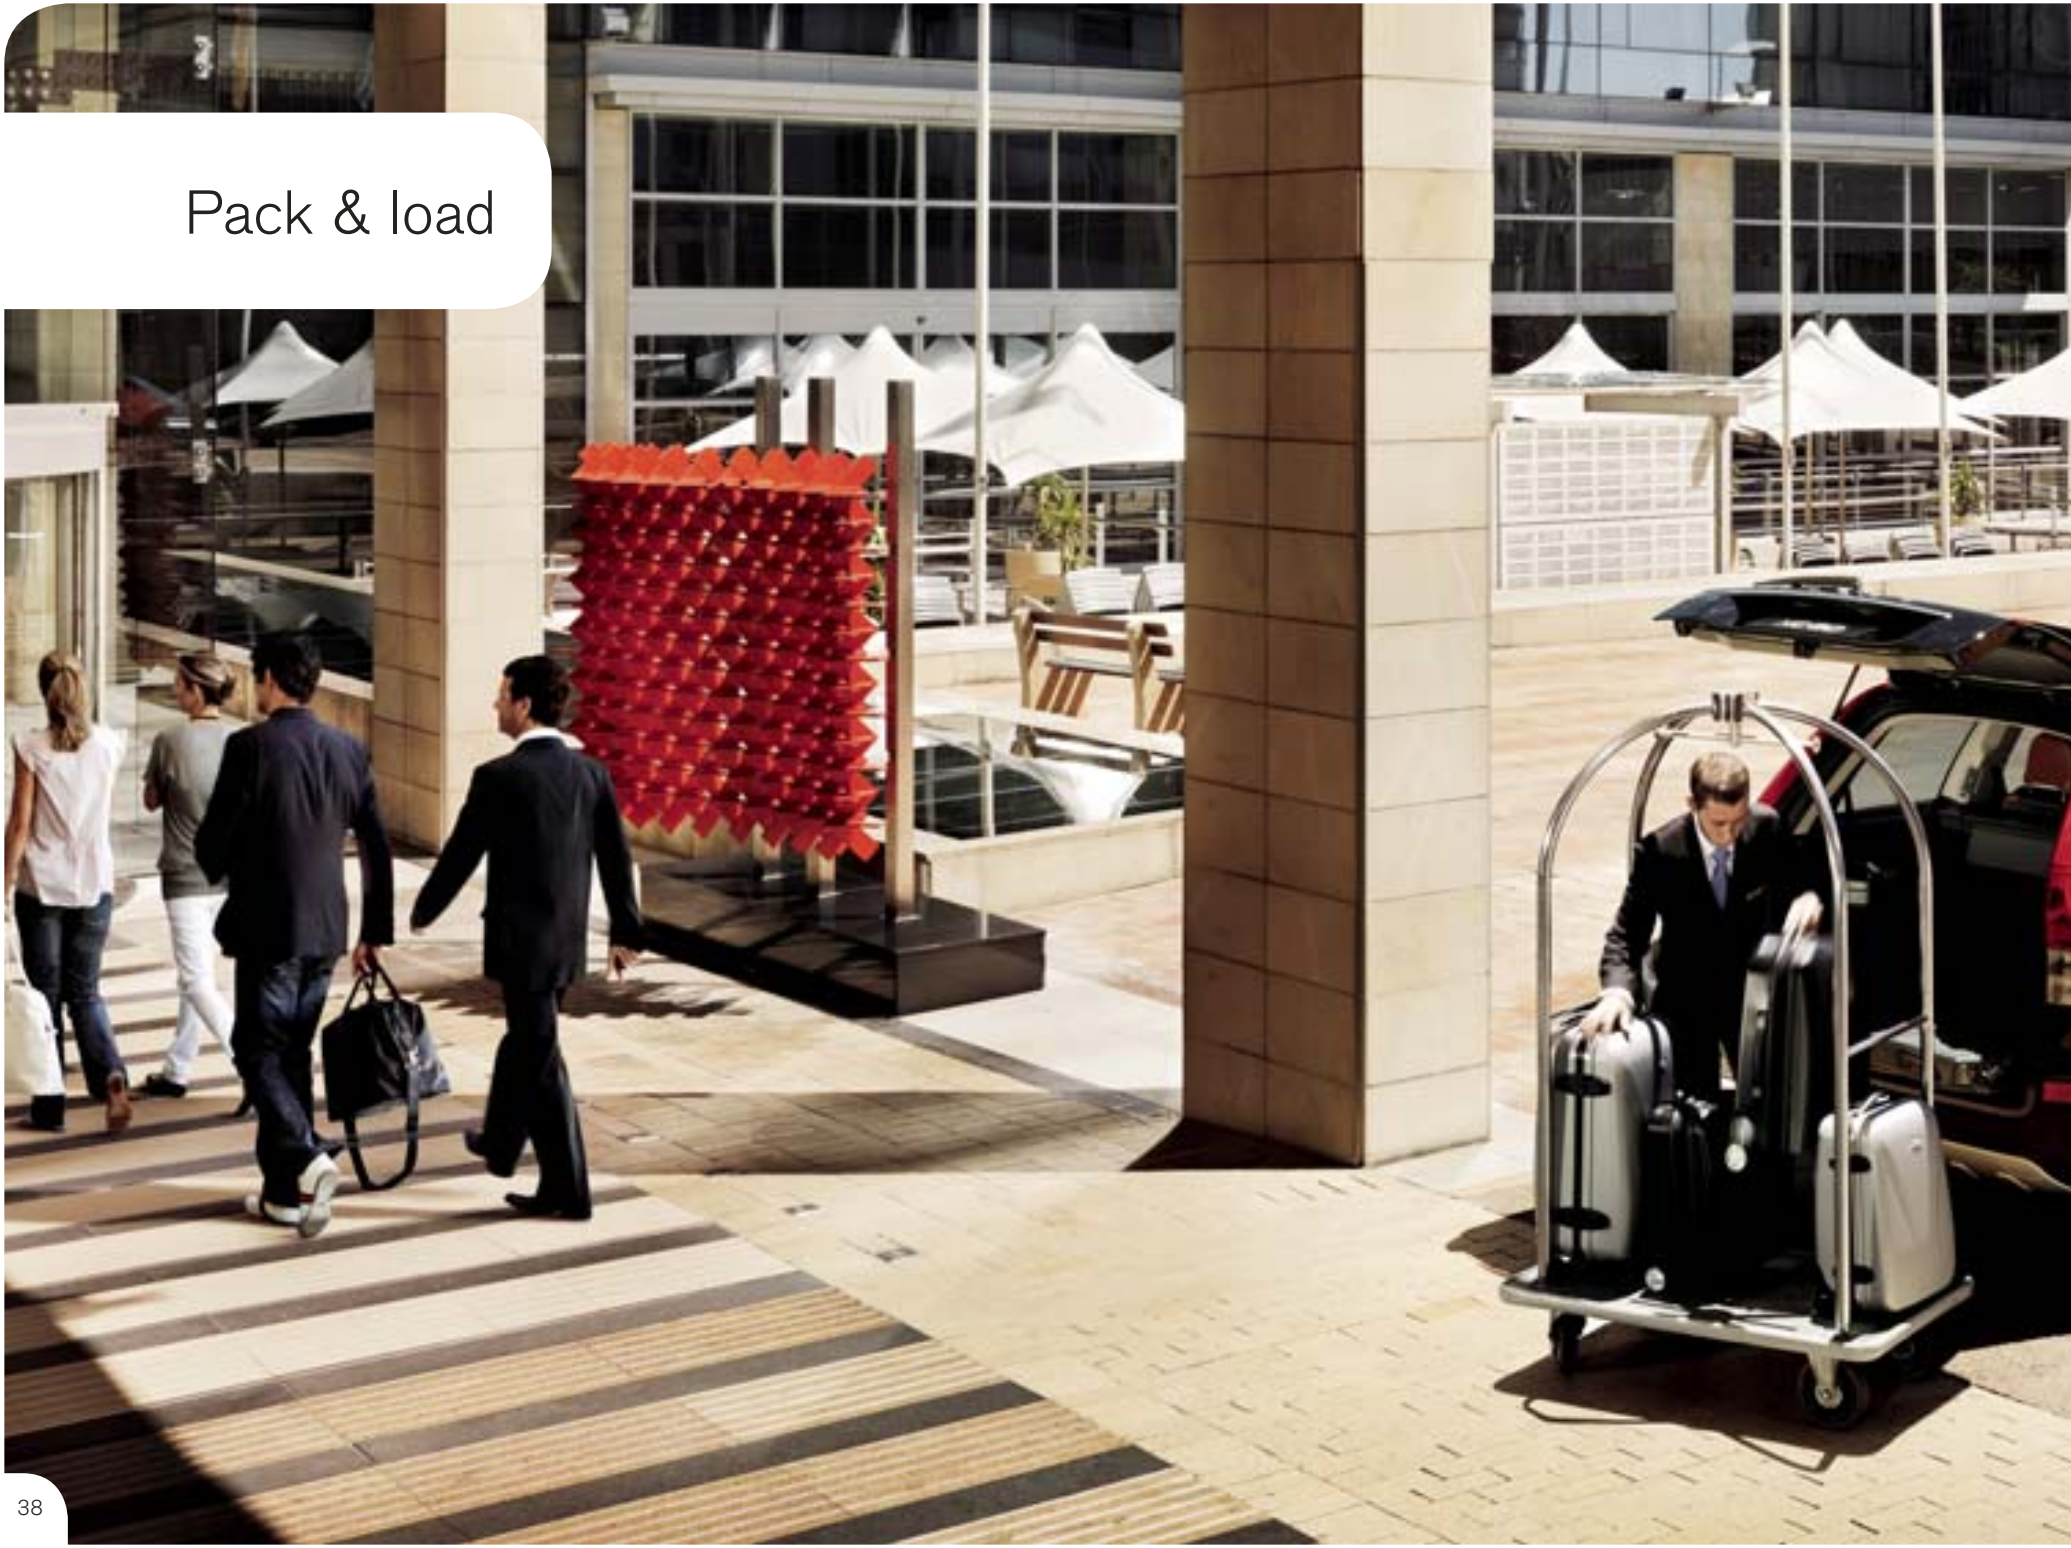
An expressive body kit for C30 that enhances the sporty character of the car. The kit replaces existing components, becoming an integrated part of the car's design. One or two tailpipes. The body kit can be color coordinated to match the color of the car or you can go for an exciting dual tone look.

Pack & load



Because you can.

A world champion in versatility, Volvo has a proud heritage in providing smart solutions for bringing both cargo and friends onboard – without compromising on safety or comfort. So whatever you need to expand your world and the capabilities of your Volvo, you'll find some practical equipment to make it happen.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Luggage compartment mat – plastic
This mat prevents dirt and water from seeping into the cargo compartment. A high-friction coating prevents cargo from sliding around. The mat is color coordinated with the interior on estate models.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Luggage compartment mat – reversible
This helps you maintain a stylish luggage compartment even if you have to transport dirty loads from time to time. Reversible and waterproof, it has color coordinated textile on one side and rubber on the other.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Load-securing net
This elastic net helps keep your gear securely in place in the cargo compartment. Attached to the floor-mounted load loops.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Net pocket
This elastic net pocket can be used for storing small items along the side panel in the cargo compartment.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Ski bag, interior
Adding a ski bag to the loading hatch between the rear seats facilitates loading of up to two pairs of skis or two snowboards, while rear seat passengers are protected from dirty equipment.

S40 S60 **S80** V50 **V70** **XC70** XC90 C30 **C70**

Rear seat cover
This durable cover is the perfect way to let the rear seat double as an extra loading space. It's easy to fit, and helps protect the upholstery if you need to carry dirty or wet objects. It also comes in handy when you're transporting a pet or perhaps a passenger who has spent an active day outdoors – and the safety belts can still be used.

S40 **S60** S80 V50 V70 XC70 **XC90** C30 C70

Automatic levelling
For improved road holding, greater comfort and ground clearance that's unaffected by heavy loads or towing. The shock absorbers automatically adjust to maintain the car's unloaded level. Once you've unloaded, the shock absorbers automatically return to their original position.

S40 S60 S80 V50 V70 XC70 XC90 C30 C70

Square profile trailer hitch
Because a towbar affects the performance of your car, even in a collision, our towbars are designed specifically for your Volvo. Choose between fixed (not available on the C70) and detachable. The detachable towbars unload at the back – all you see is the cover under the bumper. The car retains its elegant appearance and original length – so parking isn't made any harder. The towbar is lockable and easy to remove and replace when necessary.

S40 S60 S80 V50 V70 XC70 XC90 C30 **C70**

Organizer, spare wheel cavity
Designed to fit over the spare wheel, this organizer provides smart storage for small items in the trunk. The organizer also creates a completely flat trunk floor.

S40 S60 S80 **V50** **V70** **XC70** **XC90** C30 C70

Steel cargo organizer
This steel grille helps protect the occupants from unsecured cargo during hard braking. Color coordinated with the interior.

S40 S60 S80 **V50** **V70** **XC70** **XC90** C30 C70

Load compartment divider
Used together with the steel safety grille, this divides the load compartment into two sections – convenient if you want to carry your dog and luggage, or to separate dirty or fragile cargo from other cargo.

Cargo management system.
The Volvo V70 and XC70 feature a flexible loading system that offers unsurpassed convenience and helps enhance the safety of everyone in the car. It offers nearly limitless versatility for anchoring and organizing your gear.

Volvo's specially designed load carrying system.
To help you fully utilize the roof of your Volvo, we've developed a range of versatile load carrying accessories. This system is designed to carry up to 220 lbs depending on the vehicle. The factory attachment points in the car's roof make the load carriers easy to fit and even quicker if your car has roof rails. Various load accessories can be attached to the load carriers to meet your needs. These accessories can be freely combined for flexibility and many are aerodynamically designed to help reduce fuel consumption and wind noise. And most of them can be locked with the same key, using Volvo's One-Key System.
